"Commencement, of course, means "the beginning" of something, not the end. As you leave Middlebury, let our Commencement ceremony tomorrow signal the beginning of adopting a new way of thinking, unencumbered by the fear of getting things wrong, and being fully cognizant of how questions can have multiple answers, and how each answer, either right or wrong, carries with it some truth that advances one's learning."

President Ronald D. Liebowitz,

Thank You

This year's Kaleidoscope was truly a campus-wide collaboration. First and foremost, we would like to thank our advisor, Lyn DeGraff, for her constant hard work and keeping us on our toes. We would never have been able to finish this book without her persistence, organization, and patience. Thank you also to Matthew Clark of Jostens for his constant patience and advice throughout the process. We'd also like to thank Student Events Coordinator Tammy Grant; and JJ Boggs and Doug Adams from the CCAL office. A huge thanks also to Bob, Beth, and the McGrath Studio team for organizing Senior Portraits. We would also like to thank Brad Nadeau for supplying us with athletics team photographs, Stacey Thebodo and the Study Abroad Office for their help with the Study Abroad section, and all organizations presidents and leaders for their enthusiasm in sharing their progress throughout the year. We are also forever indebted to our photographers: Cameron Ferrey, Vincent A. Jones, Daisy Zhuo, and YiLing Zhang, and professional photographers Steve McGrath, Brett Simison, Dennis Curran, Bob Handelman, and Bridget Besaw. I couldn't have asked for a better photography staff in my final year as editor. We'd also like to thank our cover artist Rick Brooks for his amazing creativity in designing the cover of this book. Thank you also to the Archives for allowing us access to the Cumulus server for their fantastic campus photographs. And finally, a big thanks to the Senior Committee. They were able to compile a great collection of candids from our years at Midd, many of which are displayed in this book. Congrats on graduating, Class of 2011 and 2011.5. Hope that when it's all said and done, you enjoyed it.

Newman Club
Catholic Students Association

Through our various social events, retreats, weekly mass, and participation in the local parish community, the Newman Club provides an opportunity for Catholics on campus to grow together in faith.

This year, we brought Catholic journalist and peace activist Colman McCarthy to speak to a packed house entitled, "How to be a Peacekeeper: Non-violence in a Time of War," teamed up with College Christian Fellowship to raise $750 for the Addison County CROP Hunger walk. Among other things, we also made a trip up to UVM to hear Father Benedict Groeschel speak, assembled Thanksgiving food baskets with food collected by St. Mary's Parish, and held our annual Newman Club and Christian Fellowship Christmas Party. Over J-term we held our 2nd annual weekend retreat at Weston Priory and served Community Supper at the Bridport Grange. We have volunteered as servers and kitchen hands for St. Patrick's Day dinner to raise money for St. Mary's School and held a weekly rosary group during Lent.

Relay For Life

Relay For Life is a one of the primary fundraisers for the American Cancer Society. More than just a fundraiser, Relay is also a life-changing event that gives College students and community members a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease. At Relay, teams of people camp out at the athletic fields and take turns walking or running around a track. Each team is asked to have a representative on the track at all times during the event. Because cancer never sleeps, Relays are overnight events up to 24 hours in length. The field becomes a tent city of participants walking while also enjoying the live entertainment.

During Relay's first year (2004), over 65 teams participated, walking 18 hours and raising over $80,000. In Relay's seventh year (2010), we proudly reached the $1,000,000 fundraising mark. This year, in our eighth year, our goal was $150,000 and 100 teams. Middlebury College Relay For Life has received numerous recognitions: in our beginning year (2004), we were recognized as one of the Top Rookie Relays in the Country; in 2005, Relay was honored by receiving the New England Division Top event by per capita; and in 2008, Relay was a Vermont Campus Compact Engaged Partner Award recipient. We are consistently among the Nationwide Top Youth Event Per Capita, placing 3rd this year!

Korean American Student Association

KASA's goal is to better solidarity of Koreans on the campus while simultaneously promoting awareness of Korean culture and issues to the general student body. This year we have been working on getting more noodles out to more people in less time at our ever popular Noodle Nights. We have also been holding various other events such as our first ever Karaoke Korean Card Game Night. The Asian Spring Barbecue has been spearheaded by KASA again this year, and we have also held more Korean Adoptee Events, gathering families with adopted Korean children from all over Vermont. The biggest task we are working on, however, is establishing a Korean Class to be taught through our club. We have put a lot of effort in preparing the curriculum, training teachers, and even securing language tables for the Korean language class. We will be launching our program next fall!

Page 1 Literacy Club

Page 1 Literacy works to encourage literacy throughout Vermont's Addison County through weekly reading and homework help programs at local schools and libraries, as well as through special one-time, reading- and crafts-based community events and celebrations. Our goal is to promote a love of reading and enthusiasm for learning, with a special focus on helping young children develop into strong and inquisitive students.

In addition to hosting multiple homework help and reading programs (with themes ranging from "Graphic Novels" and "Fairy Tales" to "World Cultures" and "Our Good Earth") at local elementary schools and libraries, we have had much success with our one-time events. In October, we hosted our annual Halloween Reading Party at the Swift House Inn, which we followed up by hosting, for the first time, a gift-wrapping fundraiser in December at the college bookstore; all proceeds were used to purchase new, beloved Amelia Bedelia children's books for the children's section of the Ilsley Library. In the spring, we launched our first-ever *Dr. Seuss Celebration* at 51 Main. Throughout the afternoon, more than 200 guests came to celebrate what would be the beloved children's book author's 107th birthday. The event culminated in a live performance of *The Lorax*.

GlobeMed is a network of university students that partner with grassroots organizations around the world to improve the health of people living in poverty. Through their involvement today, students commit to a life of leadership in global health and social justice. In 2009-2010, its founding year, GlobeMed at Middlebury began working with its partner Africa 2,000 Network in Tororo, Uganda. Six students traveled to Tororo to improve five village information centers which provide information from NGOs to the local people to encourage the best practices in agriculture, sanitation, and health. This year, GlobeMed is scaling up its project, expanding its efforts to 11 other village information centers in the region. We were able to surpass our goal of raising $5,000 during the school year to improve utilization of and access to new and existing village information centers in the communities surrounding Tororo.

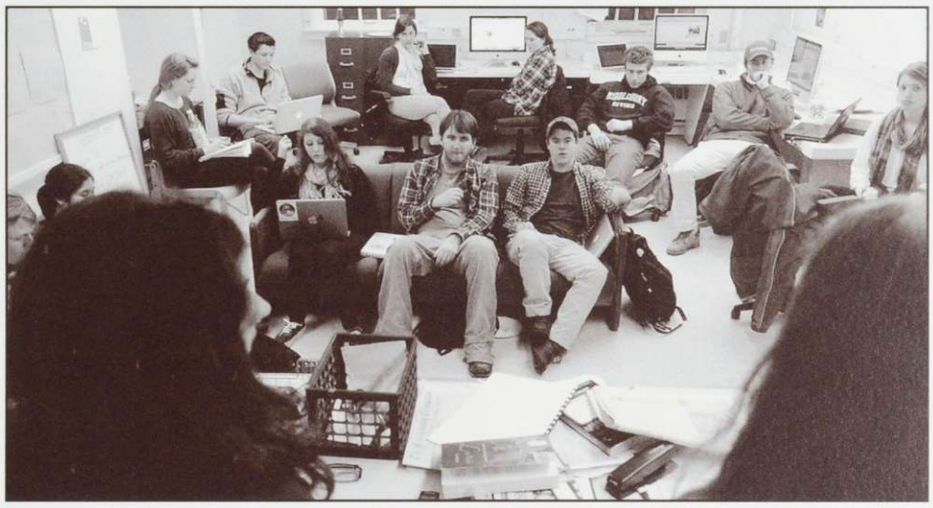
The Middlebury Campus

The student weekly for Middlebury College

Writing the first draft of Middlebury history since 1905!



This year was a little a rough at first–more than half of the 2009-2010 editorial board graduated or went abroad, so we had to train a lot of new editors in the fall, most of whom were sophomores who had only been writing for the paper for a year. We instituted some positive changes in the layout schedule, though, and generally the atmosphere in the office has been really friendly and fun. We have continued the tradition of top-notch college reporting, with focused efforts to cover a broader array of topics, include as many perspectives as possible and investigate campus issues that are sometimes overlooked. We also worked on expanding our online presence, and we launched a new website in April 2011!

The Mountain Ayres

The purpose of the Mountain Ayres is to enrich the College experience by public performance of madrigals and other a capella chamber music. Among the highlights of this year were a trip to the Quidditch World Cup in New York City, our Community Christmas Concert at St. Stephen's on the Green, a retreat in Burlington, recording of a Christmas CD, and our annual bawdy spring concert, renamed "The Sacred and the Profane."

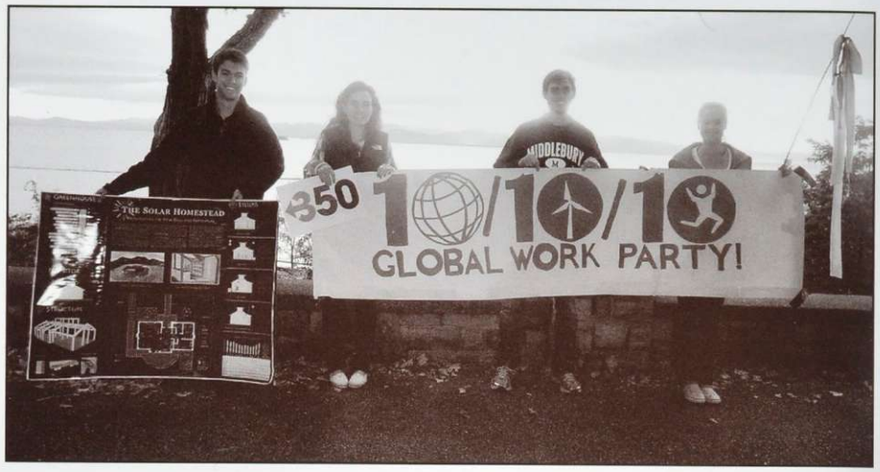
The Senior Committee spearheads the fund-raising drive for the Senior Class Gift, soliciting suggestions for the gift and helping educate their peers on the importance of philanthropy towards and engagement with the college. Members are also responsible for planning events and activities that will build class unity and create a foundation for alumni participation. The senior committee has decided to dedicate the senior gift to the memory of their classmates: Nick Garza '11, Pavlo Levkiv '11 and Ben Wieler '11.

Every year since 1981, the members of the senior class have honored their time at Middlebury and marked their graduation by making a class gift to the College. Each year the senior class votes on how the funds raised will be spent. The Class of 2011 & 2011.5 has chosen to support the Middlebury Solar Decathlon project.

This year, we have thrown several successful events which unite the senior class, including the 200 Days Masquerade Ball, the Senior Bar Night at 51 Main during J-term, and the 100 Days Party. We have also raised funds and awareness for our Senior Class Gift, The Solar Decathlon, and helped educate our peers on the importance of philanthropy and giving back. Our Senior Week events, which included a boat cruise, a day at Lake Dunmore, the Last Chance Dance, and a formal dance the night before Commencement, made our class's final week unforgettable.

Middlebury Solar Decathlon Team



We are a group of students committed to sustainable living and to the future of clean energy. We have built a net-zero energy house powered completely by solar energy that will be constructed on the National Mall in Washington, D.C. next to 19 other homes built by student groups as part of the 2011 Solar Decathlon competition. Our mission is to both educate ourselves about the field of green design and engineering as well as to show the college community, the greater community, and the entire world that green homes can be elegant, affordable, and functional.

In the past year, we have not only designed a 1000-square-foot home, but we have raised funds to acquire all of the necessary materials and have come up with a detailed plan for construction, which began on March 29th. Additionally, our team has been committed to campus and community outreach and has held a number of educational events and workshops.

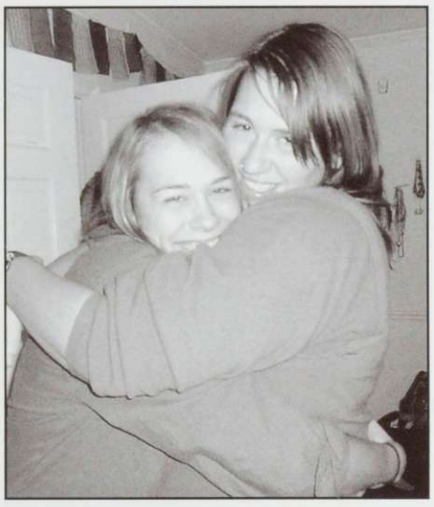
Volunteer Service Organization

The Volunteer Service Organization (VSO) provides students with numerous community service opportunities in the Middlebury Community, focusing on Saturday work sites and special events. VSO events have included Trick-or-Treating for canned goods on Halloween, carving pumpkins for Helen Porter Hospital, volunteering at United Way Days of Caring, helping cook a Thanksgiving Dinner for John Graham Shelter, sewing clothing for AIDS orphans in Africa and hosting a square dance for residents at the Helen Porter Nursing Home.



Middlebury College Women's Rugby Club

This fall, we made it to New England Division III semi-finals, a great achievement! We also bought new uniforms, so we have been looking very stylish on the pitch. In hopes of moving to Division II in the future, we are currently working on building our numbers, and this year we traveled to two big rugby tournaments for exposure to higher levels of rugby and better competition. We hope to travel again next year, taking the team on another international tour as we did in 2009.

Fencing Club

This year, the Fencing Club acquired a good deal of electric equipment, which enabled us to start competing with other schools. Our team had its first competition with the University of Vermont, Amherst, UVM, and Dartmouth. We also had two scrimmages with the local fencing club in town, where we sometimes attend classes. In addition to team competitions, several of our members competed in an official USFA tournament this March here in Middlebury; three won medals.

TRENDS TREND

Plaid Shirt

The boy-style plaid flannel shirt is a popular look for both guys and girls. Just add a pair of perfectly worn jeans.

Tim Umphrey/Getty Images

Top Siders

From popped collars to Top Siders, prep style endures. *True Prep* shows a new generation how it's done and what it means.

Sequins

Shiny, sparkly sequins become a major fashion trend when Zoe Kravitz and runway models are spotted wearing them on hats, dresses and tops.

Hats

Self-expression is always in fashion and the right hat makes it easy to add panache (and hide a bad hair day). All you need is a cute fedora or a jaunty newsboy cap.

Military Jacket

There's nothing olive drab about this trend. Military jackets are snappy, sleek and chic — a far cry from the oversized Army surplus look of yesteryear.

Gilbert Carrasquillo/Getty Images

Dr. Dre's Monster Beats are state-of-the-art headphones that make a strong, street-smart fashion statement. They look cool. And they sound even cooler.

Energy Drinks

Energy drinks are the beverage of choice among sleep-deprived students, despite concerns that they contain unhealthy levels of sugar and caffeine.

Mineral Makeup

Beauty mavens agree: mineral makeup rocks. These sheer, lightweight, powdery formulas are the smart alternative to gooey, pore-clogging foundations.

Pillow Pets

Now it's a stuffed animal. And now it's a pillow. Puffy, popular PillowPets™ may be the snuggliest, softest trend of the year.

Dentists report that more and more teens are asking about teeth bleaching procedures, especially for photo-op occasions like proms or sweet sixteen parties.

Flip Flops

Parents and foot doctors hate them but the flip-flop fad is a year-round phenomenon for guys and girls alike (except during snowstorms).

Get the look with a classic polo, distressed skinny jeans and leather belt with your favorite treads.

S TRENDS

Vera Bradley Bags

Colorful, quilted Vera Bradley bags are the epitome of sorority sister style. Devotees mix and match Vera messenger bags, clutches, totes and wallets.

Hippie style is hip once more. Tie-dyed effects on shirts and dresses appear on runways, beaches and boardwalks.

Girls Outfit

Go for an edgy, urban look in these American Rag Twill Skinny Cargos – perfectly paired with a belted Cowl neck sweater!

Big Scarves

Long, flowing scarves become a year-round trend. This must-have accessory is the easiest way to add color and interest to casual outfits.

Monkey Slippers

It's a toy. It's a slipper. It's a fun fashion trend. Sock monkey slippers are popular in college dorms and at slumber parties.

Bill Hogan/Chicago Tribune/MCT via Getty Images

Silly Bandz

The bandz are banned! Some schools decide that Silly Bandz — the popular silicone rubber bracelets — are too distracting for the classroom.

Long Necklaces

Long, statement necklaces are trend-right. Gossip girls look luxe with Tiffany-style trinkets. Layered, chunky, vintage baubles create an alt-rock, art school vibe.

Everybody needs an afternoon snack but nobody has time for milk and cookies. The newest granola bars deliver easy energy between lunch and practice.

The mountaineer look comes to the metropolis, as high-performance outdoor apparel makes a comfortable, cold-weather fashion statement.

Over the Knee Boots

Boots go to great lengths. Over-the-knee styles are seen everywhere from runways to red carpets. Trendsetters wear them with short skirts or slim leggings.

When Gamaliel Painter died,
He was Middlebury's pride,
A sturdy pioneer without a stain;
And he left his all by will
To the college on the hill,
And it included in a codicil a cane.

Chorus:
Oh, it's rap-rap-rap,
And it's tap-tap-tap,
If you listen you can hear it sounding plain;
For a helper true and tried,
As the generations glide,
There is nothing like Gamaliel Painter's cane!
